Consult Schedule of Fees for sample weights to submit and current fees. Make check or money order payable to State of Michigan. Customers not providing payment will be billed at the address given. Seed samples must be properly drawn, be representative of the lot and shall consist of 5 lb. samples. Include a lot number with each sample. Mail or bring samples to the lab in strong containers such as heavy paper or cloth bags, cardboard cartons, metal cans, etc. Send samples to the address shown above and please complete this form and include with each sample or group of samples submitted for testing. You may duplicate this form or request more as needed. Avoid phoning for sample results unless absolutely necessary. Results will be mailed as soon as they are available. This lab performs the disease testing on field beans only.
Note: Chemically treated seed will not be accepted for blight testing.
